This document includes sample captions you can use when sharing the Cure Crew social media graphics. Each caption is designed to help you spread awareness and encourage participation in the SRF Cure Crew!

### **Ask Me About the Cure Crew!**

The Scleroderma Research Foundation (SRF) Cure Crew is a grassroots group of volunteers helping spread awareness and fund research for a scleroderma cure. I'm proud to be part of it, and there are so many ways to participate—big or small.

Want to join me? Comment below and I'll give you more info.

### **Cure Crew Pride**

I am proud to be a Cure Crew member with the Scleroderma Research Foundation!

This volunteer network is united in a shared belief in the power of research to help people with scleroderma live longer, fuller lives—and ultimately, to find a cure.

Being part of the Cure Crew means I get to raise awareness, support cutting-edge research, and be part of something bigger than myself. There are so many ways to get involved, and every action counts.

### **Making an Impact**

I joined the Scleroderma Research Foundation (SRF) Cure Crew to make an impact on scleroderma research—because progress starts with people who care. 💙

The Cure Crew is a community of volunteers helping to raise awareness, fund research, and support those living with scleroderma. Whether it's sharing educational resources, organizing events, or just spreading the word, every action helps move us closer to new treatments—and a cure for this disease.
